

**Bible Memorization for Transformation**  
*First Friday of Each Month, 7:30 pm*

## **What is iRecite?**

If we really believe that the Bible is God's very WORD, then Bible memorization is the most valuable investment ever. In an age where smart phones can pull up any Bible verse instantly, **iRecite** is actually counter-cultural. Instead of an iPhone or iPad, **iRecite** is "old school." When the Bible was written, most people could not read or write, and the main way people experienced it was by hearing it spoken out loud. In today's world, the oral tradition has largely been lost. **iRecite** was inspired to revive this tradition as the Bible's power is greatest when spoken from the heart and out loud!

- A small group ministry (accountability group) that can be done as a stand alone or as part of an existing Bible Study group.
- A monthly spiritual "potluck" where people memorize a passage of at least 10 verses and come prepared to share the bread of life and what God taught them about that passage while they were memorizing it.
- Any age or personality can do it! It's a personal lifestyle commitment.
- Equipping believers to start their own home-based groups.
- Visitors are welcome, but because this is an accountability group, we ask that attendees soon make a commitment to participate as members.

## **What are Member Requirements?**

- ☞ Memorize a minimum "passage" (10 or more verses) of scripture every month.
- ☞ Memorize from a translated version, not a paraphrase.
- ☞ Recite the passage out loud with the group.
- ☞ Tell the group 1 or 2 things the Holy Spirit taught you about that passage.
- ☞ Attend **iRecite** monthly meetings consistently.
- ☞ Pray for and encourage other members in their walk with God.
